## family.

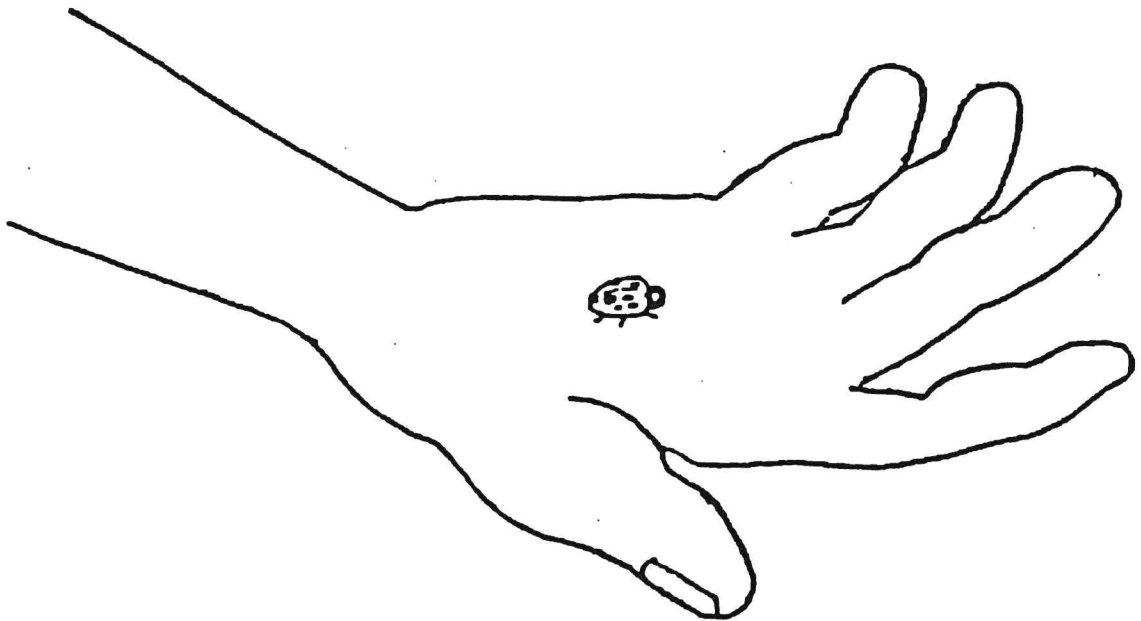

He made creatures both **big**

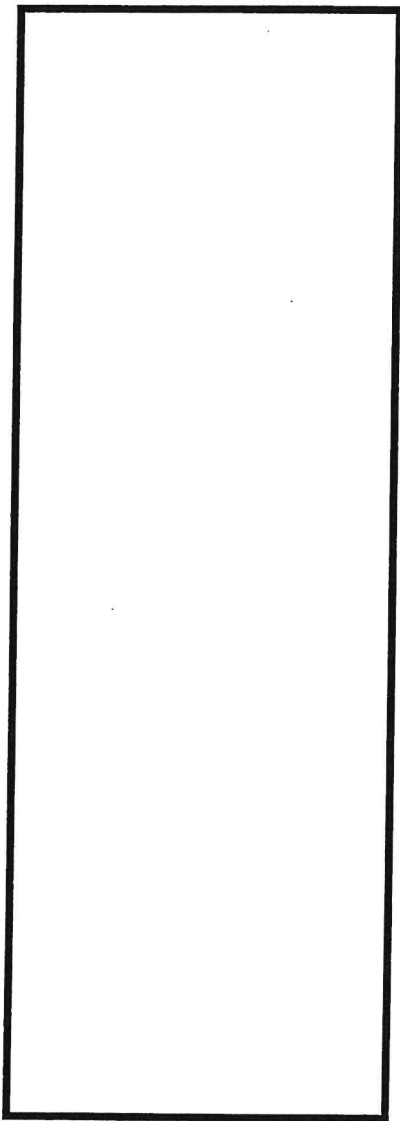

and small

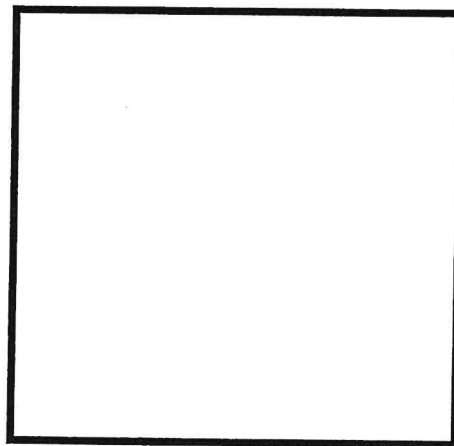

each belonging to its own family.

Find or draw a picture of  
a living creature which is . . .

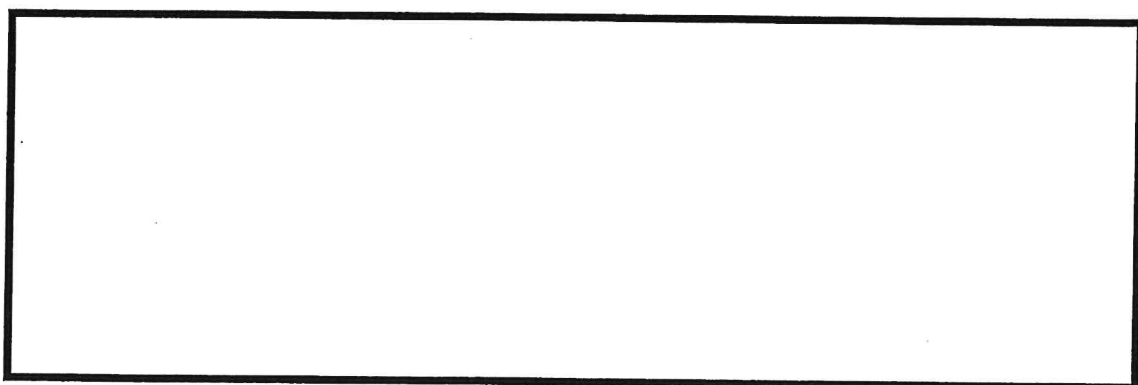

taller than a door,

smaller than a cup,

longer than a ruler.

God did his sums again . . .

He sorted some of the different  
living things into two groups

**male**

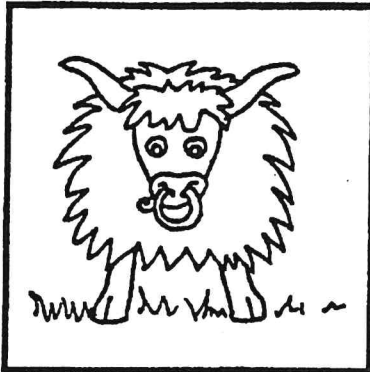

**female**

Here are some examples of

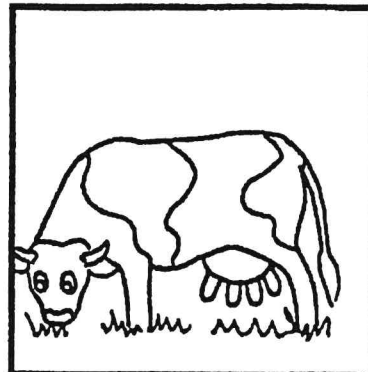

male

and

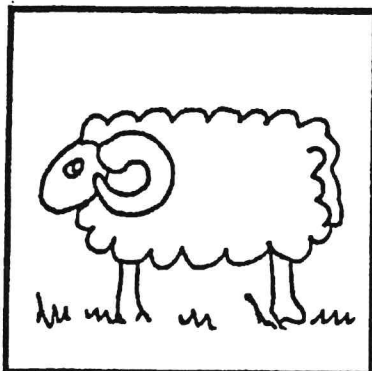

female

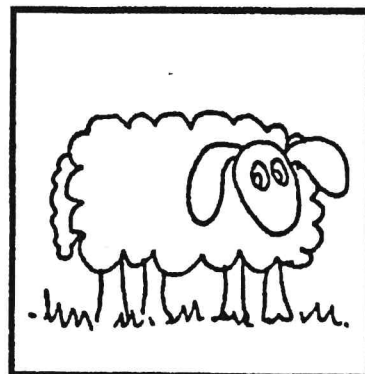

bull

cow

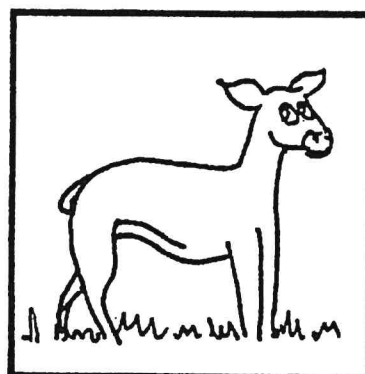

ram

ewe

stag

Finally,

God decided to share his  
beautiful world with one  
other family. . . . .

can you guess which  
family it was ?

# The human family.

Were you right ?

# Once more God did his sums...

he sorted **all** humans into

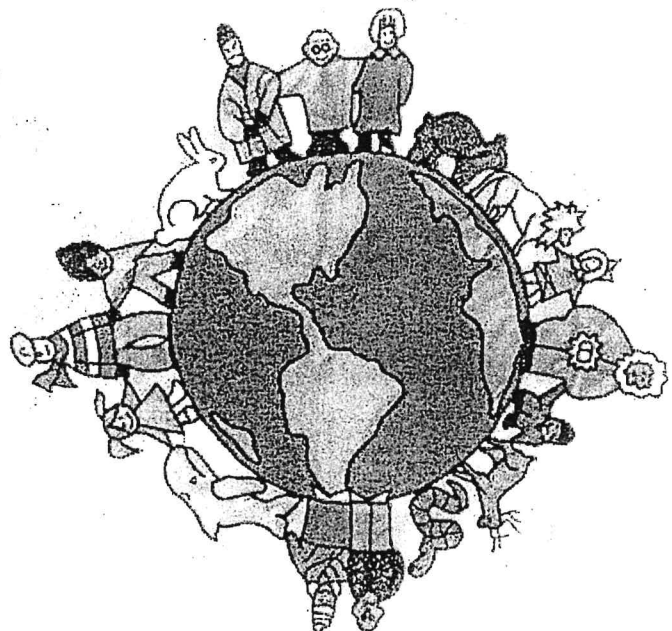

man	and	w
b	and	girl
father	and	m
b	and	sister
husband	and	w

**God's human family  
making families of their own,  
each one different ... each one special.**

## Our world..

God's special gift to  
his human family.

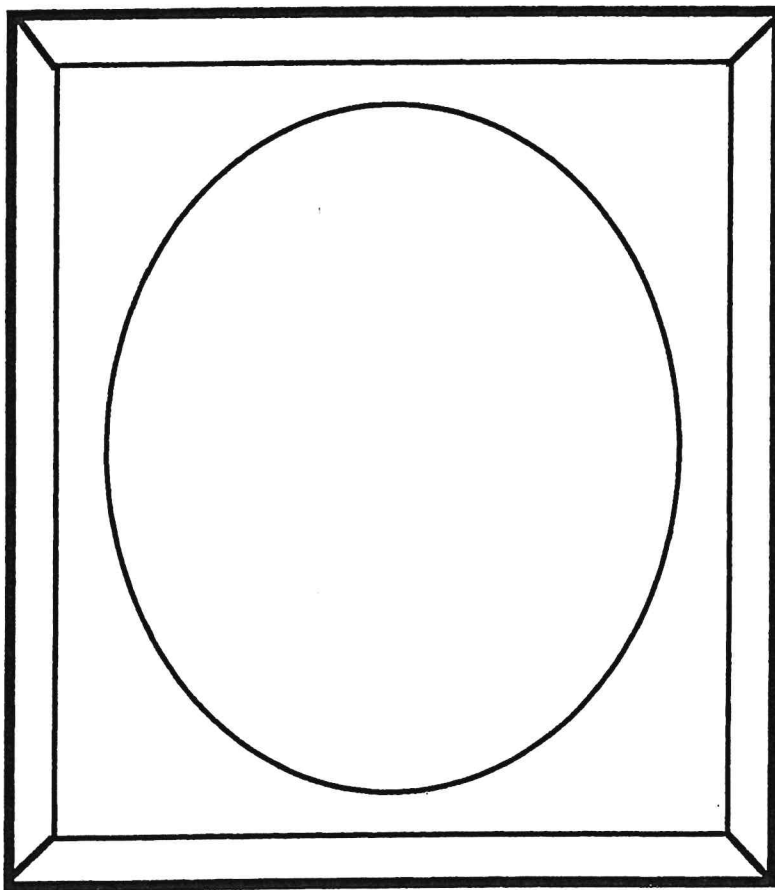

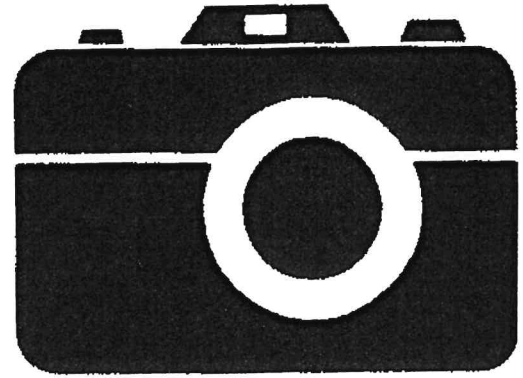

We must all help  
to look after our  
world and share its  
wonderful gifts with  
each other. Do you agree ?

## What does God look like ?

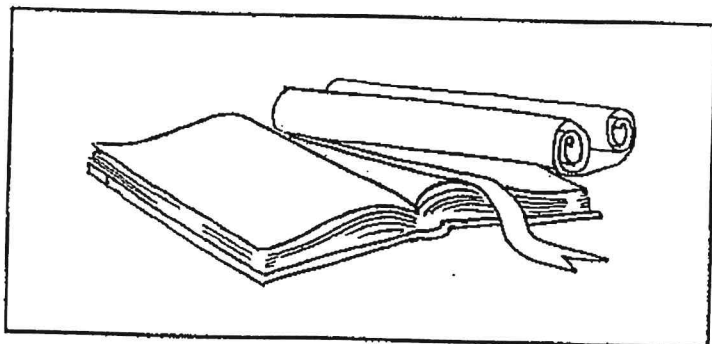

We all have our own idea of what God looks like, but nobody is really sure, because we don't have any photographs.

My  
Picture  
Of  
God.

God is always there .....  
watching over us like a good friend.

# Where will we find God ?

and scrolls \_\_\_\_\_

In our worship \_\_\_\_\_

In Holy places \_\_\_\_\_

In the lives of very

God can be found everywhere ... in nature .. in  
ordinary people .. in your family & friends ...

**and in you.**

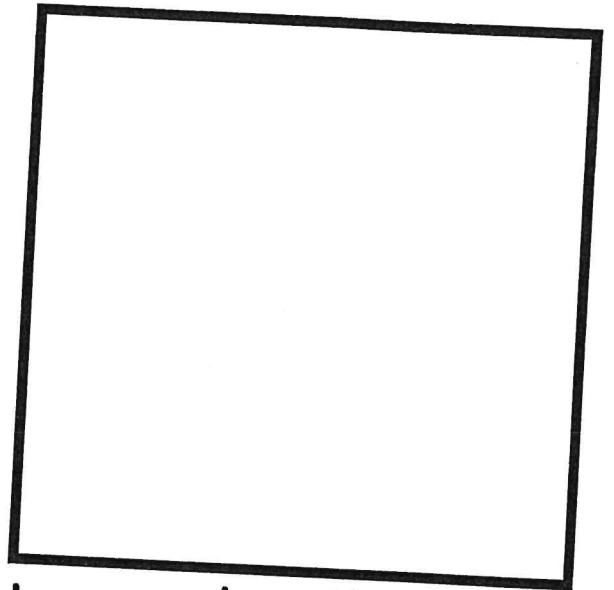

How does God want us to live ?

Loving

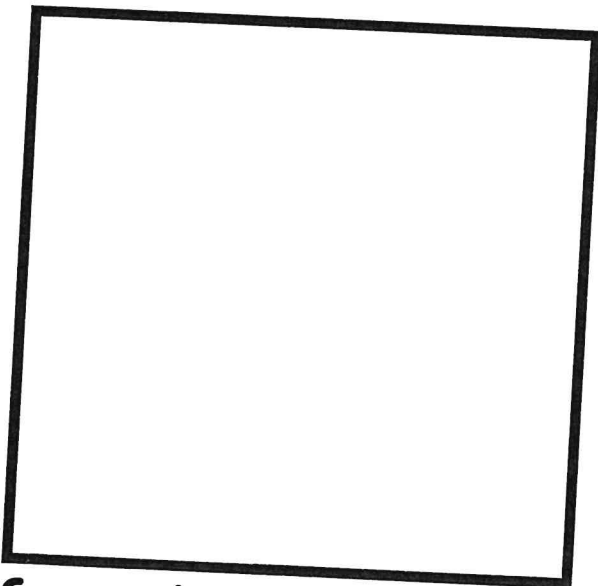

all my family.

Friendly

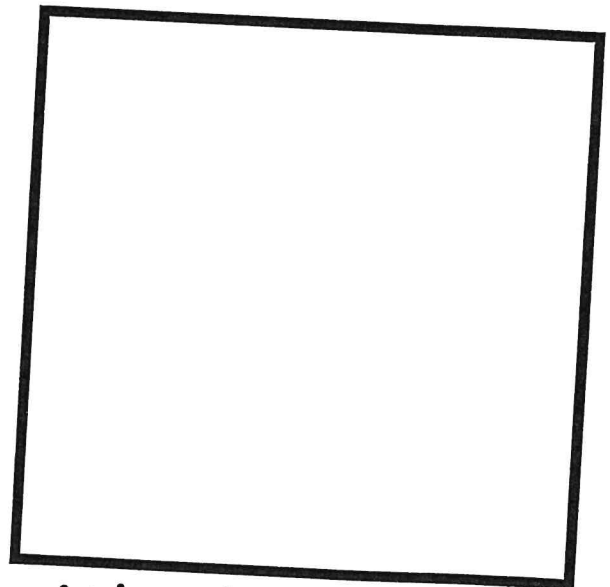

towards all other people.

Caring -

for those who need help.

Sharing -

with those who have less than I have.

How do we know this is  
how God wants us to live?

The answer is easy ...  
He sent his loving  
son Jesus to show  
us the way.

Find a story in the  
bible about Jesus  
showing ...

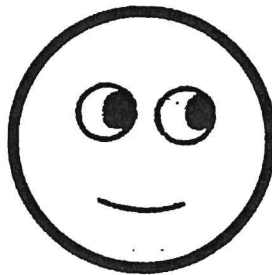

- \* love \_\_\_\_\_
- \* friendship \_\_\_\_\_
- \* caring for others \_\_\_\_\_
- \* sharing with others \_\_\_\_\_

Have your friends found different stories ?

# Do I Make God Happy ?

yes

sometimes

no

## In school ...

- nice to other children ☐
- say please & thank you ☐
- polite to grown-ups ☐
- always do best work ☐

## Where I live ...

- nice to other children ☐
- friendly to neighbours ☐
- helpful to the elderly ☐
- pick up my litter ☐

## At home ...

- do as parents tell me ☐
- say please & thank you ☐
- keep my room tidy ☐
- do jobs to help out ☐

Now look at the faces you have drawn ... and think.  
Can you do anything to make God even happier ?

**Hey kids** ... do you know that .. **sometimes** .. it is ok  
to say "no" to parents & grown-ups ? When might this be ?

# Putting things right

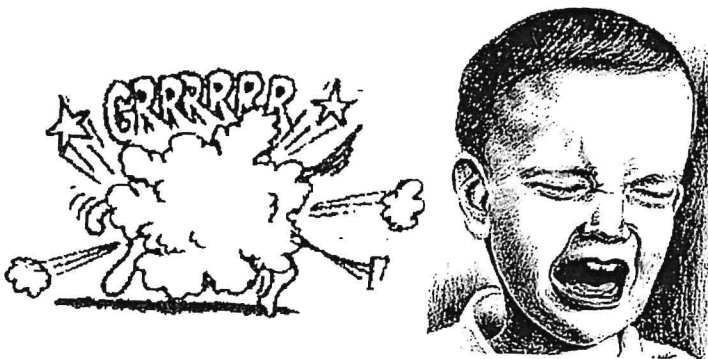

(God would want me to do this)

**If I cause an accident**

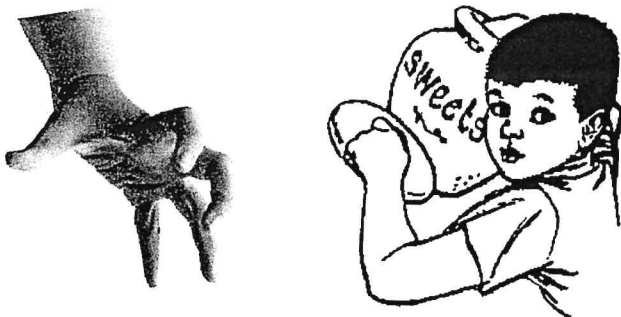

... I should \_\_\_\_\_

**If I hurt or upset a friend**

... I should \_\_\_\_\_

We all make mistakes sometimes ...even grown-ups.  
Saying "sorry" and trying to put things right  
makes everyone feel better.

And remember ~ when someone says "sorry" and really means it  
... we should ALWAYS accept their apology.

# *Saying "sorry" to God*

in my prayers ...

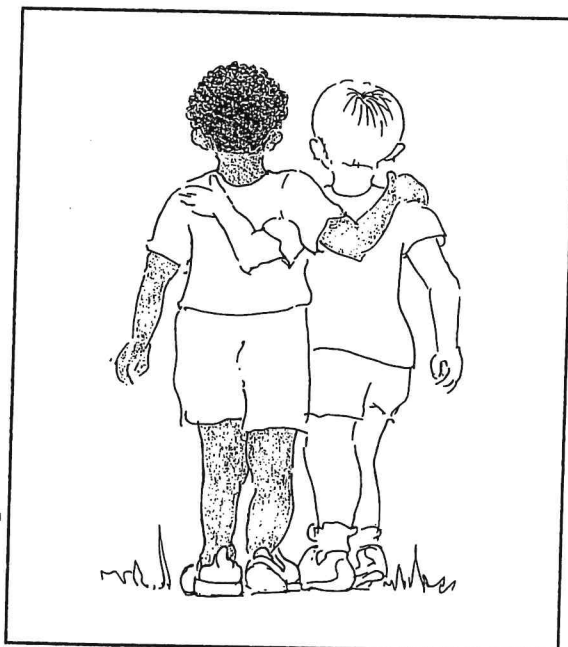

God listens.  
God understands.  
God forgives...  
because God loves.

# *Saying "sorry" to others*

more than words ...

I have to mean  
what I say.

Good friends care.  
Good friends forgive.

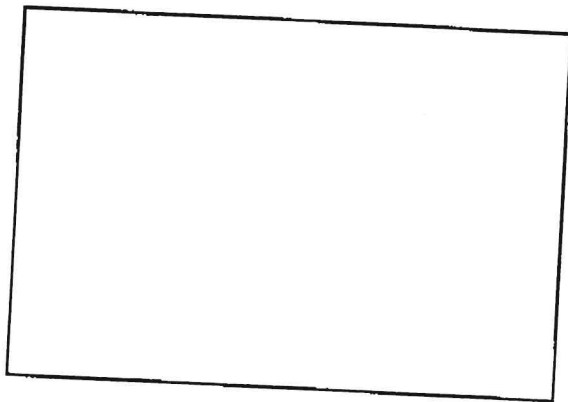

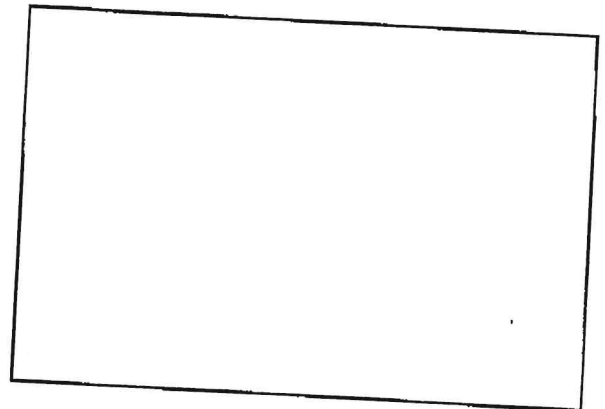

**Treasure more  
valuable than  
gold ..... and it is  
right in front of me !!!**

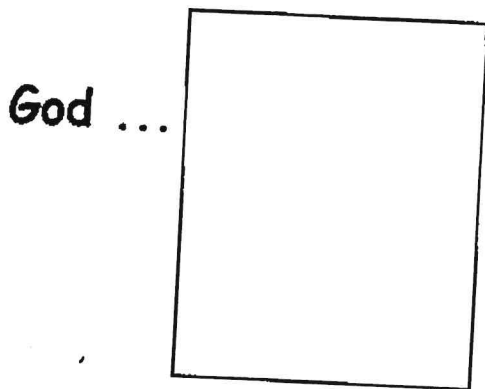

I do not have to be a pirate to find treasure more valuable than gold ..... I only have to look around me.

My family ... because they love me.

My friends ... because they like me.

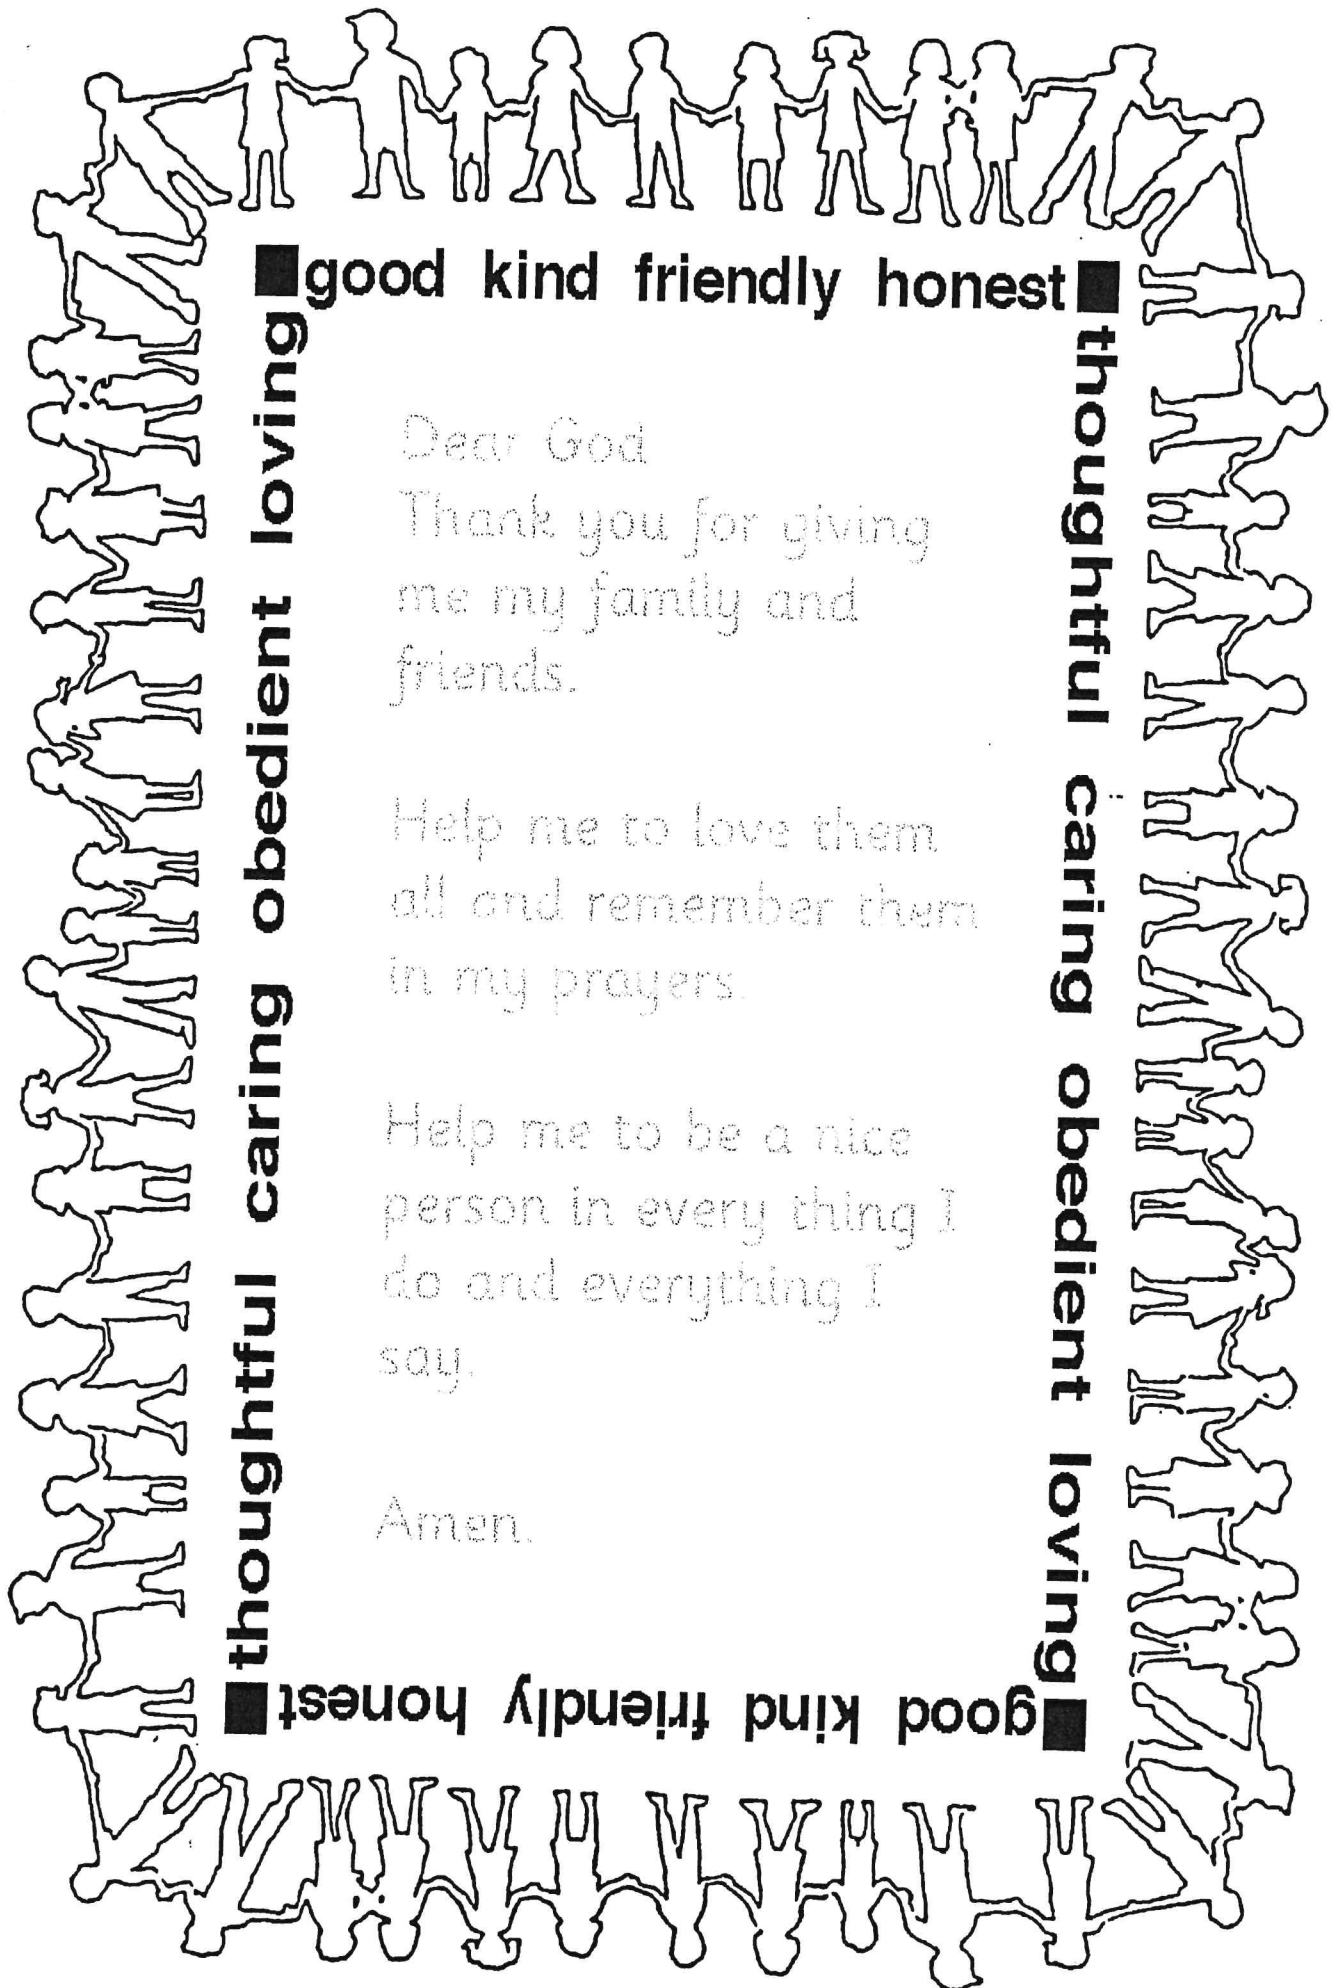

God ...

... because he is always with me.

**These are the real  
treasures of my life.**

If I look after them and keep them close to me each day ..... I will always be rich.

Dear God

Thank you for giving  
me my family and  
friends.

Help me to love them  
all and remember them  
in my prayers.

Help me to be a nice  
person in every thing I  
do and everything I  
say.

Amen.
